SUBJECT: INDIA NOT LIKELY TO PARTICIPATE IN TRACKER WORKSHOP

REF: STATE 97547

¶1. (SBU) India will likely not participate in the Tracker
Automated Export Control System workshop in Oxford, UK, in
October because the GOI is developing its own export control
software, MEA Under Secretary (Disarmament and International
Security) Nutan Kapoor told PolMilOff. The GOI is aware of
the capabilities of the Tracker software from demonstrations
during previous EXBS training courses, but is developing
software tailored to its own requirements and export control
list, SCOMET.
